Comprehensive solution for renewing tennis lines or construction of new tennis courts

Line tapes are made of non-softened PVC, white RAL 9003, UV-stabilized.

One set for one tennis court comprises:

- **tape coils 1 × 22 m, 4 × 24 m and 1 × 30 m**
- **anchoring system - 18 tube anchors and 18 pins**

Line tapes are coiled and placed on a pallet 120 × 80 cm.

One pallet contains sets for up to 4 tennis courts.

Line tapes and tube anchors are available both in sets or as separate units!

Line tapes can also be used for football tennis and volleyball playgrounds
